MANAGEMENT: The Races are under management of the AYC Board, which shall have final authority to establish racing conditions and interpret the racing rules under USSA.

ELIGIBILITY: Series race is open to all sailing yachts owned by AYC members or their spouses who have paid their race fees and file within the prescribed class rules, and non-members by invitation or through application of individual members of clubs or associations which are members of ABYRA or DYRA. Jam boats may race one season without club affiliation. AYC Management reserves the right to accept or deny any applications.

RATINGS: Boats will be assigned a rating as determined by their current DRYA Certificate. If a boat does not have a certificate, the AYC Race Board will assign a rating based on comparable boats on the DRYA valid list. If no similar boat is available, a rating will be assigned by the AYC Race Board based on the most recent available information. If a new rating is assigned to a boat during the season, the rating will only apply to remaining races. No new credits or favorable rating changes will be applied without a valid current DRYA-PHRF certificate.

SCORING: Best 5 out of 7 races for each series will be scored to determine series standings. Best 10 out of 14 races will be scored for Season Overall standings. You must qualify in both Spring & Summer series (in the same class) to qualify for Season Overall.

AWARDS: Skippers registering for both Spring & Summer Series will receive a participation award. Results and/or awards will be presented following each race in the series. Awards will be given for designated flag races. Series flags will be given out following the final race of the series.

SEASON OVERALL: Flags for Season Overall will be given out at the **ABYRA** Haul-Out party. Refer to the 2009 ABYRA Racing Handbook for the location and time of this party.
